March 18 - 27, 2020
Egypt

Space is limited!

Learning Outcome:
Participants of this program will be prepared to engage in the medical mission they have embarked on.

Objectives:
1. Develop a view of themselves as multicultural beings involved in cross-cultural encounters.
2. Evaluate the training and education of nurses and healthcare personnel in other countries.
3. Appraise the role of the nurse in the health system of various countries.
4. Examine and appraise culturally competent nursing practices.
5. Compare and contrast global culturally competent nursing practices.
6. Explain disaster-related concepts and strategies aimed at mitigating risks, minimizing impacts, and speeding the process of community recovery in the aftermath of a natural disaster.
7. Demonstrate effective skills in community disaster-relief performance as part of a disaster response team.

Presenter(s):
Carol Lynn Esposito, Ed.D., JD, MS, RN-BC, NPD
Director
Nursing Education & Practice Department

Lucille Contreras Sollazzo, MSN, RN-BC, NPD
Associate Director
Nursing Education & Practice Department

This program is sponsored by NYSNA. All NYSNA LBU Members are invited to attend.

The New York State Nurses Association reserves the right to cancel this workshop due to low registration or other circumstances beyond its control.

In order to receive CHs/CEUs, participants are required to attend all sessions in their entirety, complete all in-session program assignments, complete an evaluation, complete and return a post-program Survey Monkey questionnaire and complete a post-program checklist, where applicable.

NYSNA wishes to disclose that no commercial support or sponsorship was received. NYSNA Program Planners and Presenters declare that they have no conflict of interest in this program.
